

Paw Paw Conservation Club Members

On May 5th the club sponsored two teams at the Michigan Trap Association Spring Team Shoot. The teams both shot good scores, the PPCC #1 team with a 445 and the PPCC #2 team with a 453 and class B 1st place belt buckles. We had two members who did very well, Randy Kroeg with a 98 was our top score, followed by Dick Willard with a 95. All the team members had a good time and would like to thank the club for their continued sponsorship.

Thank You

Richard Willard
